Description:

Review "Not just a story--*Love Story* is an experience. The reader who responds to this little book will feel less like a reader than an unwritten Segal character, living it all out from the inside... In this 'love story' you are not just an observer."--*Christian Science Monitor*.

"Funny, touching and infused with wonder, as all love stories should be."--*San Francisco Examiner* --Review

From the Publisher This is the wonderful, tumultuous, heartfelt story of Oliver Barrett IV and Jenny Cavillieri--the story of a rich Harvard jock and a wisecracking Radcliffe music major who have nothing in common but love . . . and everything else to share but time. Funny and flip, sad and poignant, Erich Segal's magnificent novel will grab you, hold you, and stay with you forever. You, like more than twenty million others, will fall in love with *Love Story*.
